

SOGI Data Collection Community of Practice

**3rd Friday of the month, beginning August 19th, 2022
1:05pm - 2:25pm
via Zoom**

This community of practice will provide a peer-to-peer learning environment to support OHA and ODHS staff and leadership as their agencies develop, implement, and improve their SOGI data collection protocols.

What to Expect

Each meeting will feature a check-in discussion about participants' experiences, success, and concerns; a topic-based discussion led by experts; and a debrief to determine action items and next steps.

Meeting Topics

- Current state of SOGI data collection programs
- Getting stakeholder buy-in
- Who should collect SOGI data and how often, and data completeness
- Pediatric SOGI data collection
- Asking SOGI questions of non-native English speakers
- Cultural humility when asking SOGI questions
- Federal vs. state SOGI data
- Creating shared concepts
