

2023

HIV Continuum of Care Conference

October 11th & 12th 2023

Join us for a PrEP Connect Pre-Conference
on October 10th!

DoubleTree Portland
1000 NE Multnomah St
Portland, OR 97232

Tracks available for clinicians, case managers and social workers, and administrators.

Housing • Substance Use Disorder • Sexual Orientation/Gender Identity Data Collection • New Injectable Prevention and Treatment Options • Chest & Breastfeeding • STI Guideline Updates • Psilocybin Treatment • Engaging Latinx Patients in Care • Harm Reduction • Gender Affirming Hormone Therapy • & more!

Anyone working with people at risk of acquiring or living with HIV is invited to attend this **free** educational event. Hybrid option available. In person attendance is recommended.

Register Now!

In an effort to support equitable access to care, the Oregon AETC asks all presenters to address implicit bias & the need for inclusive strategies to end new HIV infections in the state.

Application for CME credit will be filed with the American Academy of Family Physicians, NASW Oregon Chapter & the Oregon Board Pharmacy. Determination of credit is pending.

Any registration questions or issues should be directed to brighid@oraetc.org. Questions and suggestions about content should also be sent to brighid@oraetc.org.
