First Monday of  
Each Month  
12pm Pacific  
beginning August 7th

**Register Now**

Register to receive a calendar invitation and Zoom link for the recurring meeting.  
Join as often as you like!

These spaces are for white folx working in HIV prevention and care in Oregon who are looking to deepen and challenge their anti-racist commitments.

These spaces, while supportive, are intended to facilitate growth. You may experience some discomfort as part of the process. As white folx we all have a responsibility to use our social and institutional power and privilege to change our communities for the better.

Please contact Rachel at [rachel@oraetc.org](mailto:rachel@oraetc.org) with any questions or accommodation requests.
